There will be no team/group picture taken. The team picture will consist of a headshot of each player and will be printed as an 8x10 composite/memory mate (please see example on order form).

Every team member is asked to take a picture, so they are apart of the team picture, even if you do not plan to purchase them.

Coaches may take a picture to be included in the team picture, but must be in their jersey and cap to do so.

Please arrive at your assigned time above and proceed to your photographer. We will make every effort to have you in and out quickly. Thanks in advance for your patience.
